

Roanoke Regional Recovery Project

Roanoke Regional Partnership

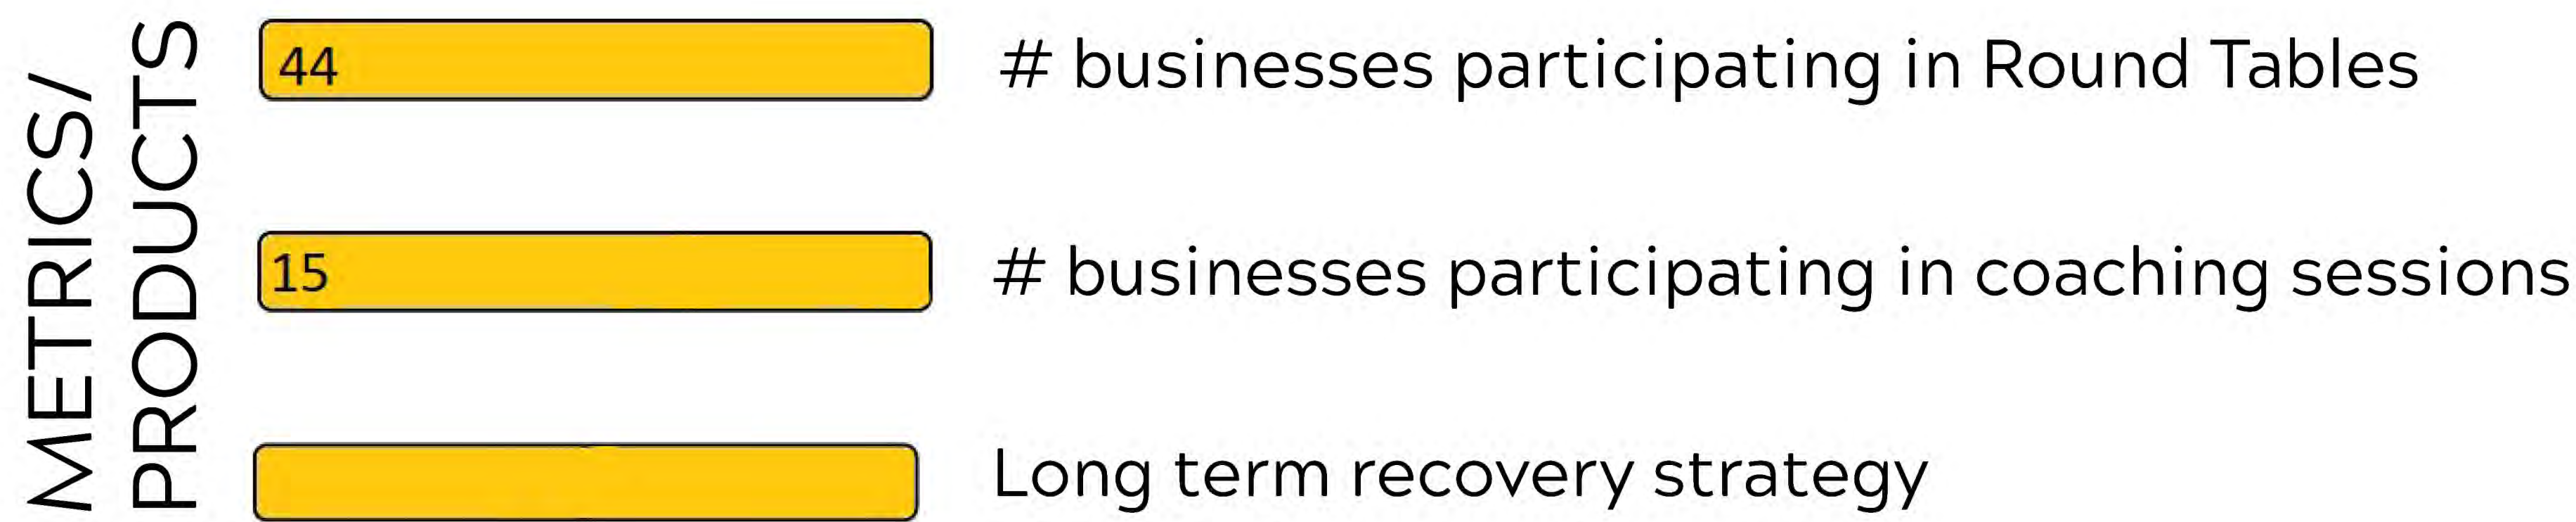

Cities of Roanoke, Salem, and Covington, Counties of Roanoke, Franklin, Botetourt, and Alleghany, Town of Vinton, Virginia Career Works

Project Start Date: 8/1/2020
Project End Date: 3/15/2022

Responding to the economic effects of COVID-19 by helping companies in the targeted traded sectors recover, focusing on immediate recovery as well as future resilience.

The Roanoke Regional Partnership will engage regional companies in advanced manufacturing, food and beverage, technology, and healthcare. A recovery coalition will provide advising as well as recovery-focused resources and programming. Round table sessions that share workforce and financial stability best practices will involve regional companies in the recovery process and help encourage business leaders to create a support network for resource-sharing.
